

Product data sheet LED sensor switch *

Switch for activating automatic doors

AREAS OF APPLICATION

- ightarrow For activation of all GEZE automatic doors
- ightarrow Flush-mounted installation

PRODUCT FEATURES

- ightarrow Touch-sensitive capacitive push button with blue/red LED illumination
- ightarrow High-quality and hygienic activation with visual feedback of the activation command

*

- ightarrow Also available with Braille tactile lettering
- ightarrow Available with glass or plastic border
- \rightarrow IP rating IP69
- ightarrow Long service life more than 100 million hystereses

TECHNICAL DATA

Productname	LED sensor switch *	
Dimensions	100 x 100 x 10 mm	
Current consumption	35 mA	
Output	PNP transistor output	
IP rating	IP69	
Type of installation	Flush-mounted installation	
Cable connection type	Cable prepared for connection to screw terminal	
Connector cable length	200 mm	
Service temperature	-30 - 80 °C	

VARIANTS / ORDER INFO

		Ident-
